

Nature Quest Summer Camp Teacher Recommendation Form

Hello families and teachers! This summer (2024), Nature Quest Summer Camp has 32 spots open for children ages 8-12 who are responsible, respectful, and interested in becoming naturalists! Teacher recommendation is required to ensure the enjoyment of the group as a whole. We hope to select children who are excited to become naturalists and would enjoy participating in activities such as nature meditation, journaling, learning about flora and fauna, hiking, and more.

Parents, please fill out the top section of this form before sending it along to the teacher you would like to recommend your child. Teachers, please complete this form and email or scan it to info@thenaturebus.com. Your responses will be held in confidence and will not be shared with families once submitted. Thank you for helping us ensure that each child is a good fit for our summer camp!
